

## Bursary Scheme

*This scheme is designed to help those who could benefit the most from training in our club but may struggle to afford our classes. There is no discrimination in who is selected, and the selected members will be offered a place to train in our sessions at a largely discounted rate so that we can bring out their confidence and new social opportunities.*

This form has been completed to the best of my knowledge and I understand that any false information would result in my application being rejected, and possibly being rejected from all future applications.
